**McVITTY PLANT**

**KENTON PLANT**

Hensel Ready Mix is a Hardin County based company in business since 1963. We have two permanent plants in Hardin County, two plants outside the County, a portable plant that can be erected onsite for quick high volume projects and thirty two *All Front Discharge Mixers*. Visit our website @ [www.henselreadymix.com](http://www.henselreadymix.com) to see recent projects and Company history.

**PORTABLE PLANT**

**PROSPECT PLANT**

Proud to be chosen as the concrete supplier for Ohio Northern University Renewable Energy Wind Turbine Project.
